Complementary Rooftop Jacuzzi

Available 10am-9:30pm

We always want to ensure that our products are environmentally friendly and safe for our guests to use. Therefore, instead of using chlorine, we use a saltwater cleaning system in our Jacuzzi. Additionally, the water in the Jacuzzi is heated up by solar energy.

Infra-red Sauna

Available 6pm- 9:30pm

The sweat you emit during an infra-red treatment will detoxify your body by eliminating heavy metals, radiation and a great deal of other types of environmental toxins.
